

Daily Confession of Faith By Pastor Ernest Scott

Father, I thank you for this wonderful day. A day of new beginnings and a day of new awareness. This day I enter into your presence knowing that all things are possible with you and through you. And with that said and done, I release most Holy Faith, knowing that all my needs will be met according to your riches and your glory through Christ Jesus. I know through his blood, I have been made whole that no poverty sickness, disease, or spiritual death will take hold in my life. I am whole in my finances in my relationships and my life. I have total life prosperity and that I am blessed from the top of my head to the sole of my feet. And that no weapons that are formed against me will prosper and that every tongue risen up against me in judgment will be condemned. I know through the blood of Jesus I was bought with a price and that his blood was an act of atonement to cleanse me from all my unrighteousness, and I know that by his stripes I am healed totally in my mind body and spirit. I know that I am made out of the image of God and that I have power and dominion to reign and rule on the earth. And I know that I have a legal right as a covenant child of God to walk in total prosperity and total prosperity starts with total provision because you give me the power to get wealth. I grab hold of this confession of faith because I am a son/daughter and heir to the promise that you made with Abram to bless all of his seed. And anyone who is in Christ is Abraham's seed and heirs to the promise, which is the covenant blessing

you established through Abraham and fulfilled 42 generations later with your son Jesus the Messiah. So because of who I am in Christ, I thank you for making me a true king and high priest/queen unto the most high God. I thank you that signs, wonders, and miracles will follow me all the days of my life and that I will dwell in the house of the Lord forever and forever. You are the keeper of my soul and the majesty on high. The one who is and was and is to come, and to you, I give all the praise all the honor and all the Glory. You created me to be an overcomer and more than a conqueror through Christ that strengthens me. The head and not the tail above and not beneath. And this day, I worship you Lord in spirit and truth, and I thank you because I am all that you created me to be through Christ that strengthens me. In Jesus name Amen.
